RE: Pat George

Dear Editor:

Dodge City is fortunate to have a good friend. Pat George is a gentlemen, a talented businessman; a devoted father and husband; and now, a respected legislator. Anyone who knows Pat can attest to his commitment to excellence and his love of this community. I am sure that Pat has had many opportunities but his heart is in Dodge City and SW Kansas.

Pat has served us well in Topeka and we have his wife Lori and his family to thank for their support of his service to the community.

In short, Pat George is serving us well in the legislature and deserves to be re-elected.

Sincerely yours,

David J. Rebein
